Why Choose Shampoo & Conditioner Bars?

Eco-Friendly

Eliminate plastic bottles and reduce carbon footprint

Long-Lasting

One bar equals 2-3 bottles of liquid shampoo

Travel-Friendly

Compact, TSA-approved, no spills or leaks

Natural Ingredients

Free from harsh chemicals and sulfates

Making the Switch is Easy

Switching to a Shampoo Bar is Easier Than You Think

1. Wet Your Hair & Bar

Get both thoroughly wet with warm water

2. Apply to Hair

Rub the bar directly on your hair or lather in hands first

3. Massage & Rinse

Work into a lather, massage scalp, and rinse thoroughly

4. Store Properly

Keep dry between uses to extend bar life

What Our Customers Say

□□□□□

Best shampoo bars I've ever used! My hair feels amazing and I love that I'm reducing plastic waste.

□□□□□

The Argan Oil bar is incredible for my dry hair. I'll never go back to bottled shampoo!
